

# EUROPE ROUNDTABLE

## 9 November 2006

- 1 *Does your country have an SDI, & if so what stage has it reached?*
- 2 *Highlight some of the key features of your SDI, covering at least*
  - *Who takes overall responsibility for moving the SDI forward*
  - *Who is the target audience(s)*
  - *The approach adopted to deal with IPR and data payment issues*
  - *Main source of funding to establish the infrastructure?*
- 3 *What are/have been the main difficulties or obstacles which have been encountered to date, and how are they being addressed/overcome?*
- 4 *Are there any key lessons/insights which have been gained which may be useful in helping to establish or develop SDIs in developing countries?*
